

Utah Industrial Hemp Program

Product Registration and Licensing Information

(Edited May 17, 2019)

Industrial Hemp & Cannabidiol Act

Utah Code 4-41 (Effective May 8, 2018)

R68-24,25,26 (Published Sept 1, 2018)

All hemp products, including CBD, sold in the state must now be registered - and properly labeled.

How to Register a Product

- Visit website and read through the information <https://ag.utah.gov/cannabis-information.html>
- Scroll to the very bottom and "Click here to access the industrial hemp application"
- Applications will not be processed until they are paid for

How to make payment

- Call UDAF Financial Office (801) 538-7100
- Ask for Accounting to make a payment over the phone

Questions? Contact the Cannabis Program Office at 801-538-6918

Non-cubed Gummies

CBD Water

Food Additives

What qualifies as an Industrial Hemp Product?

Any Product derived from or made by processing industrial hemp plants or plant parts for sale or distribution in Utah.

Annually register each SKU by June 30th.

- \$200 Each product (SKU) containing hemp seed oil, hemp oil, extract, or CBD
- \$100 Each product (SKU) containing Industrial Hemp seed or a solid seed derivative
- Each product containing Industrial Hemp Fiber does not have to submit a registration fee but must register their product.

What qualifies as a Processor?

Any establishment or person that manufactures, processes, alters, or repackages hemp or cannabinoid products for distribution in Utah must be licensed with the Department (R68-25-2).

- Processor Licenses are \$2000 and are non-transferable and not refundable (R68-25-3(5)).
- Renewal must be completed annually before December 31st (R68-25-14).

Regulatory Action

Products may be sampled. Products with THC over 0.3% will be found in violation.

If any products or processors are found to be out of compliance within Utah, the following regulatory actions will be applied:

- **Notice of Violation**
- **Violation**
 1. Hold Order / Embargo
 2. Fine
 3. Product Seizure

Packaging and Labeling Information

Packaging should include:

- Clear description of the medical dosage form
- Statement verifying that FDA did not test or approve product
- CBD per serving size and total CBD per product
- Label with Supplement Facts and Ingredients
- Animal products cannot be labeled as pet foods
- A reference to a COA - via website or QRC Code
- Manufacturer's address
